Hi Jeff,

I'm sorry that I have a prior commitment on Thursday and won't be able to attend. I have reached out to our relevant programs asking for attendees. Once I find out who can attend, I'll connect them with you.

Thank you,
Tom

Hello, Tom and Christie.

Scott let me know today that Mr. Pillon is giving us access to his property this Thursday, July 26. For EPA's purposes, I am meeting with my technical and construction contractors to discuss the potential scope of work and to allow them the opportunity to contemplate the logistical and other technical concerns.

If you have agency representatives that would like to attend, please let me know. I am flexible with schedule, but was thinking mid to late morning as a meeting time, say 10:00 or so. Please let me know.

Jeffrey Fowlow, PG, CHMM

Hi Wally,

Thanks for your time and help with this project. We look forward to working with each of you. For now, I will be point of contact for Ecology and Scott Marlow will be our legal contact. Eventually, we will add technical points of contact and an attorney to work through the cleanup process.

Thank you,
Tom

Hi Christie and Tom,

Thanks very much for our discussion today. I believe the introductions and stated commitment to collaborate on this project will be a big help as we try to tackle the public health and environmental issues at the Pillon property. As agreed, I'm sending you Jeff Fowlow's email address so that you can have your project leads identify themselves to Jeff. Jeff can coordinate with them as he begins assessing the situation and potential actions afforded us under our legal authorities. I would also encourage you to identify any legal contacts as legal issues will certainly arise and be critical to our success.

After our staff have a chance to discuss and scope out a potential path forward, I see us reconvening to discuss our overall objectives and needs.

Looking very forward to working with you all.

Wally
